REMARKS

Claims 1-25 remain pending in the present application. New claims 26-32 have been added. It is respectfully submitted that the pending claims define allowable subject matter.

Initially, the Examiner is thanked for indicating claims 1-25 to be allowable, but for minor indefiniteness issues with respect to claims 5-7.

The above claim amendments are believed to overcome the § 112 indefiniteness issues.

It is respectfully submitted that the pending claims define allowable subject matter. Should anything remain in order to place the present application in condition for allowance, the Examiner is kindly invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
